

LED Exit Signs

State of the Art LED Technology

OPTIONS

Famco offers a wide range of options for each family of Exit signs. To fully describe the Exit sign that you want select the options as described in the accompanying table.

EXAMPLE

CELX2MD1000 is a Classic LED Exit sign with integral MLC computer monitoring and control circuitry. It has maintained LED lamps and is double sided (RMS on both sides). Mounting can be either ceiling or wall. It is standard white, self contained, without a flex & plug.
