# Texentium LED Highbay

An energy saving LED highbay suitable for general industrial and retail applications.

Catalogue No.
FLHB180

Ideal for warehouses, factories, storage facilities and shopping/retail centres.

Features

- Innovative heat sink and on board Thermal Management Control (TMC) ensures protection, long life of driver and LEDs
- Great energy saving solution against traditional Metal Halide highbays – up to 58% more energy efficient
- Long life LEDs (L70 @ 50,000 hours) reduce maintenance costs
- LEDs provide instant light when compared with HID lamps
- Wide (WD) optical distribution ideal for warehouse installations
- Rated at IP65 protection and a Ta rating up to 40°C making it suitable for industrial environments
- Supplied complete with 3 pin flex and plug for ease of installation
